For which South Texas Health System facility
would you like to be a volunteer?

Our volunteers

We have more than 350 adult and student volunteers working to provide the very best in assistance and customer service for our patients and their families.

Because South Texas Health System is the largest hospital system in the Rio Grande Valley, there are lots of opportunities to choose from. You can volunteer during the day, in the evening or on weekends. If you have four hours a week to make a difference in someone's life, please join one of our volunteer organizations.

Who can volunteer?

Auxiliary Volunteers – Adults

Join a group of dedicated individuals who contribute at least four hours of their time a week to one or more of our facilities. Whether you are a local resident or a Winter Texan, we have a place for you.

Junior Volunteers –

College or high school students

Junior Volunteers must be at least 15 years old and be able to volunteer for one four-hour shift a week.

Benefits of volunteering

- Discount on select items in the gift shops of South Texas Health System facilities
- A meal voucher for one of our cafeterias
- Access to hospital educational programs, in-services and workshops
- Free flu shot and TB testing
- Most importantly, the satisfaction of helping others

What can volunteers do?

Emergency Services

Help patients fill out forms, give ambulatory patients a shoulder to lean on, get supplies and attend to waiting areas.

Dietetics

Conduct patient surveys and assist dietitians with meal planning for special needs patients.

Information Desk

Welcome patients, visitors and families to the hospital. Answer phones, give directions and deliver mail to patients.

Gift Shop

Assist hospital guests and staff with purchases, use a cash register and help stock merchandise.

Transport/Escort

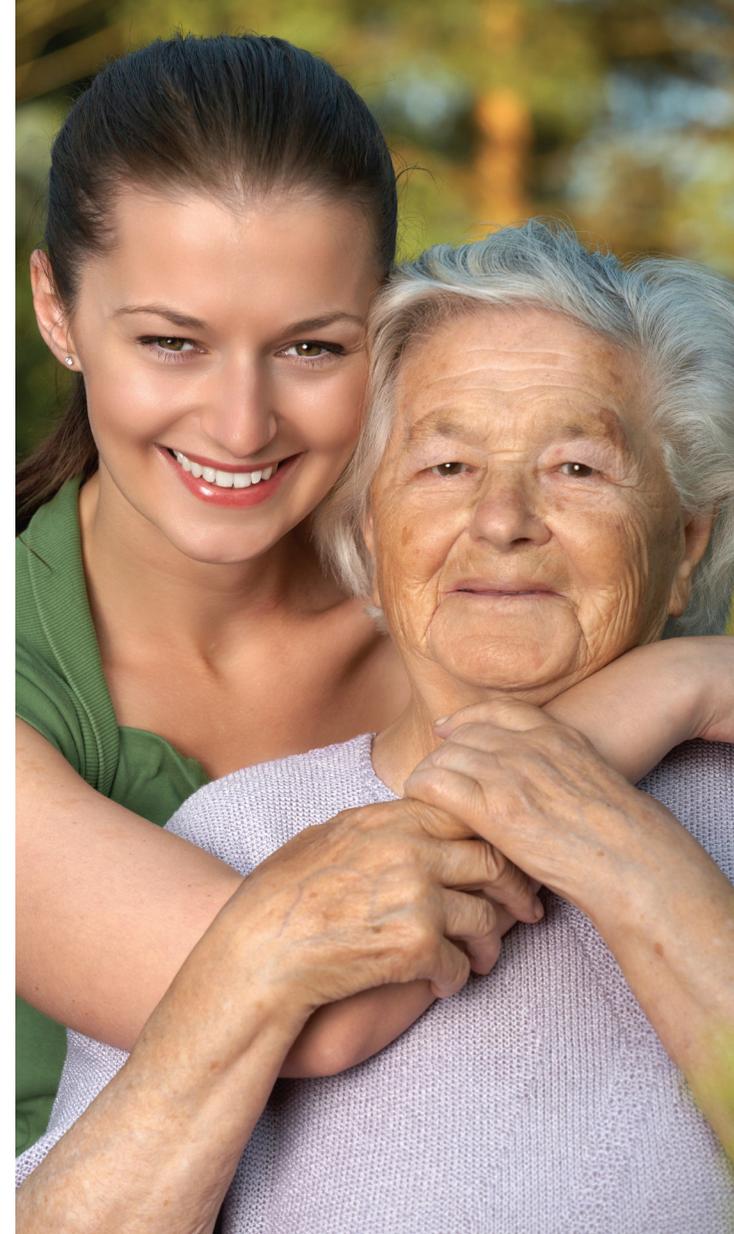

Help patients who are in wheelchairs. Escort visitors. Deliver labs, medications, medical records and supplies.

Clerical

Help with a variety of duties such as filing, collating, addressing and stuffing envelopes; answer phones; run errands. Some volunteer clerical work involves computer skills.

Surgery/ICU/CCU

Waiting areas – Welcome and help keep family members and friends informed.

*Give a little time,
get a lot of love.*
